This unique frozen line consists of unparalleled flavor profiles and freshness, resulting in the perfect beverage. The Perfect Purée of Napa Valley's [Beverage Artistry](#) capitalizes on the current trends in the beverage world, enabling even the most discerning beverage artist to exceed the limits of their palate imagination. Unique, balanced and iconic flavors provide a platform upon which creativity has no boundaries - every glass is a liquid canvas.

The line offers:

- Unique premium blends which allows beverage professionals to capitalize on today's beverage trends and achieve innovation.*
- An opportunity for an establishment to now create signature beverages without a mixologist at the helm.*
- Savings in labor and ingredient expense.*
- Versatile and ready to use blends that pair with Spirits, Wine and Champagne, or as the perfect base for a non-alcoholic beverage.*

[The Beverage Artistry](#) product line consists of three premium blends and five iconic classics. The line is available to foodservice, packed frozen, 32 fluid ounce (quart) gable top units, six per case. Product can be stored frozen for up to two years. Keeps refrigerated for 14-21 days at 36 - 40° F. once
